What will you find in this packet?

Monthly pages to send home once a month.

*The second half of this packet has the EXACT same material as the first half, but the clip art is “monthly theme” related, if you would rather use this version.

The editable version is in the other folder in this zipped file.

HOW DO I EDIT THIS?

This zipped file contains two separate files. One is a secured PDF that cannot be edited. All of the homework boxes are completely filled in for each month.

The second file is an editable file. In the editable file, you will be able to change the text in the homework chart to fit your needs for the month.

Where do I get the font?
